

TECHNICAL DATA SHEET EASY MIX CRUSHED BLUESTONE (FFS)

PRODUCT DESCRIPTION

Easy Mix Crushed Bluestone is a specially graded, crushed fine aggregate suitable for a variety of landscape and construction applications.

The product is packaged ready for use at a natural moisture condition.

PRODUCT ADVANTAGES

- Specially graded for optimal compaction.
- Suitable for multiple applications.
- All weather packaging

PRODUCT PACKAGING

Easy Mix Crushed Bluestone is available in 20kg plastic bags.

TECHNICAL DATA

Easy Mix Crushed Bluestone can be utilised in a number of domestic and commercial applications. The material has a nominal minus 5mm particle sizing which makes it ideal for surfacing and fill applications.

These include

- a) Under concrete slabs as a base material
- b) On pathways in landscapes
- c) Under paving projects, water tanks as a sub-base material
- d) On driveways
- e) Under synthetic grass
- f) As a general compactible fill
- g) As a conditioning agent for strengthening poor/plastic soil areas.

Install any products according to manufacturers guidelines and use *Easy Mix Crushed Bluestone* in accordance with any product specifications.

For filling or packing applications, mix *Easy Mix Crushed Bluestone* with water so that the material appears uniformly damp and holds its shape when squeezed in your hand. Compact

the material manually with a wooden tamper or mechanically with a wacker-packer.

PRODUCT STORAGE

Product can be stored externally if required. Undercover storage will extend packaging life from UV deterioration.

USAGE PRECAUTIONS

Aggregate products maybe irritating to the eyes, skin and lungs. Always avoid contact with the eyes and skin and take precautions to avoid breathing dust.

For further information consult the Safety Data Sheet (SDS) and always read the product label carefully before use.

Safety Data Sheets are available by phoning 1800 077 744.

Please Note:- The information given in this data sheet is based on our current knowledge of the product when properly stored, handled and applied. We cannot guarantee that the product will be suitable, effective or safe when used for any purpose other than its stated uses.

To the extent that it is lawful, we exclude warranties implied by law and limit our liability to the cost of replacing the product. We accept no responsibility for loss or injury caused by improper use, incompetent preparation, inexpert or negligent application, or ordinary wear and tear.

Service or advice given by our staff should not amount to responsibility for the project - since the owner, or their contractor (and not River Sands), is responsible for procedures relating to the application of the product.
